FALL

St. Mary's College of Maryland is located on the shores of the St. Mary's River in Southern Maryland, and her campus is surrounded on three sides by bodies of water which contribute to her atmosphere and beauty. Her existence began in 1839 as a commemoration to the site of Leonard Calvert's landing, and as a living monument to St. Mary's City which was the first capital of Maryland from 1634 until 1694 when it was moved to Annapolis. Here under the patronage of Lord Baltimore, freedom of worship was first brought to America.

Time has taken St. Mary's from a small school of less than 10 students to a four-year college, from one building to 18, from 11 acres to 265 acres of spacious land.

Time is a measured period during which an action, process, or condition exists or continues. St. Mary's College of Maryland has existed for 140 years and she continues to grow in land, buildings, faculty, students, prosperity and knowledge.

The Saints soccer team ended the 1978 season with a 6-7-1 record. Under the guidance of rookie coach Mike Sweeney the Saints gained a play-off position in the NAIA District 19 championship. In an exciting game with George Mason University of Virginia the team lost in overtime.

The Saints played some new teams this year, including University of Virginia and Liberty Baptist College. With the addition of these new teams the Saints were able to broaden their horizon in intercollegiate play.

St. Mary's, an upcoming power in NAIA District 19 division proved their performance by placing 4 members on the District 29 All-Star Team. First team member (for the 3rd time) was senior Matt Arrildt, who played in the striker position. Second team honors went to senior Pete Collins, fullback; sophomore Steve Deschler, fullback; and sophomore Craig Hawkes, also full-back position.

With the 1979 season coming in August, the Saints prepare for an exciting season.

Frisbee Golf & I.R.H.C. Weekend

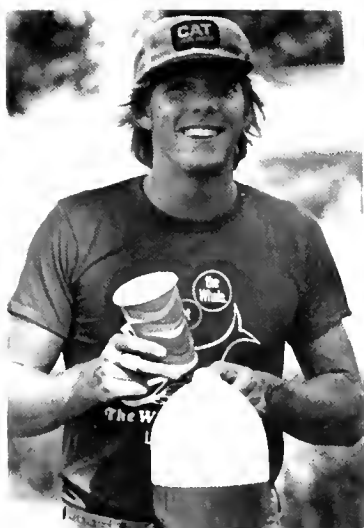

No one seems sure when the first frisbee golf (or folf) game was played on campus of SMC, but may have been when Richard Nixon was still President. The first Frisbee Golf Classic Tournament happened in the spring of 1975; it was played on the first official frisbee golf course, the Scenic 37. The tournament hit the big time that fall, when Dr. J. Renwick Jackson threw out the first frisbee for the I Believe in America Club. The IBA has organized about 5 tournaments in both singles and doubles competition, based loosely on rules established by the International Frisbee Assoc.

Halloween

Every year Queen Anne Dorm Council presents the Halloween Costume Dance. Imaginations run wild, mild and bizarre. This year was no exception—goblins, insects, and princesses alike enjoyed themselves to the very end.

The Roslyn Mountain Boys

The Fall concert, put on by the SGA, brought us The Roslyn Mountain Boys and The Colorado Rudy Toot Band. Everyone in the audience enjoyed an evening of partying with great music and good friends.

Christmas

Christmas at St. Mary's coincides with Fall Semester Final Exam but people always seem to find time to celebrate. The Christmas formal, sponsored by Queen Anne Dorm Council, provides a time of celebration. It is a pleasant change from jeans with everyone, dressed in their best, enjoying Christmas cheer.

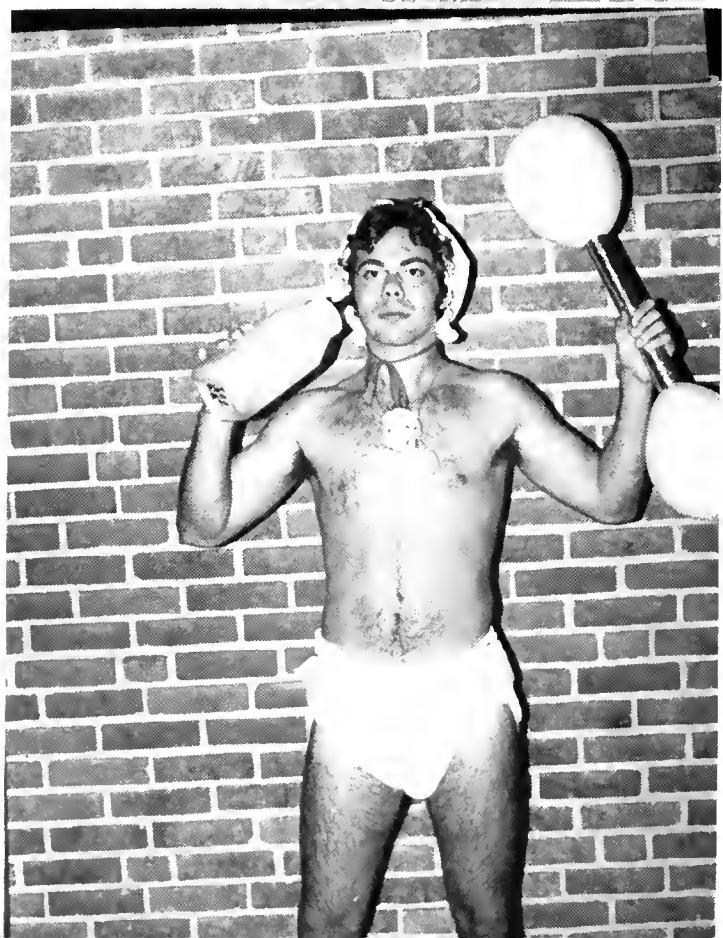

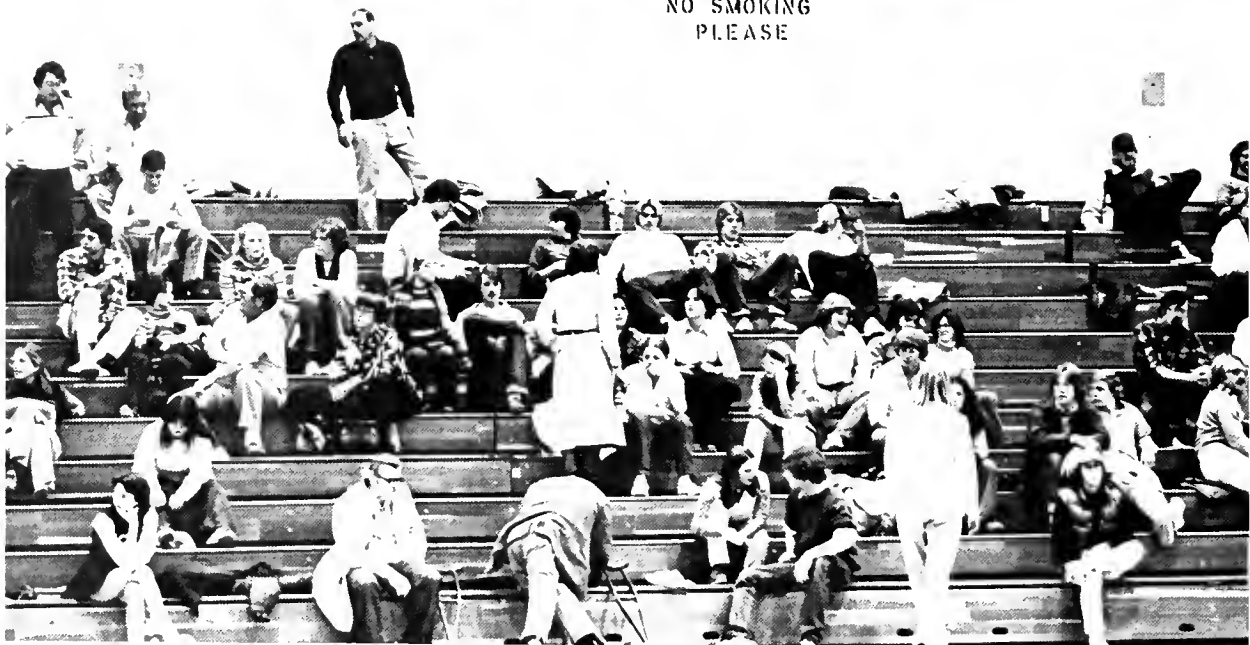

Christmas trees and decorations appear all over campus. Even Christmas lists emerge. And what is the most requested gift? "Please let me pass all my finals!"

SMC Basketball

The men's basketball team finished off the 78-79 season with a record of twelve wins and ten losses. The players were: Mike Ayers, Bobby Hill, Tom Maleski, James "Fleet" Sherrod, Raynard Jones, Daryl McCrea, Phil Kepner, Kevin Littlejohn, Hammond Willis, Brian Law, Bernie Taylor, Mike Collins, Mark Hartzell.

The lady Saints had an eleven win and ten loss season for 78-79. The players were: Terry Harford, Celene Graves, Susana Twigg, Denise Lerch, Alice White, Rose Mary Klein, Debie Kershaw, Mary Burns, Marilynne King, Gweyn Dunn, Nancy Dudiak, Laura Dziewiet, Jane Berger.

A group of Ski lovers traveled to Smugglers Notch, Vermont over Winter Term. The group spent a week at the Red Fox Ski Dormitory in Jeffersonville and enjoyed skiing, dancing, and partying.

The Spring Semester started off slowly with the "Blizzard of '79." The students were snowbound for three days. Everyone enjoyed the break and the day-long snowball fights.

Following the best lacrosse season ever at St. Mary's in '78, the 1979 squad managed to produce a solid 8-5 record. Owing to a team of 23 players in which 11 were either freshmen or newcomers to lacrosse, the Saints played bravely in hopes of receiving a play-off bid in the N.C.A.A. division tournament. Blowing away teams of lesser skill, the Saints managed one important win over a play-off team. An 11-8 victory over Ohio Wesleyan. Losses to Ithaca, Washington, Loyola, and Salisbury dashed playoff hopes. The team was ranked throughout the season at the numbers 12 and 13 in the country, indicative of the respect St. Mary's has built among the more established lords of lacrosse.

The team consisted of Peter Collins, Rich Magnus, Dirk Rinehart, Tom McWilliams, Bruce Chesser, Joe Michalski, Mark Cheyne, Pat Schaffner, Cory Roberts, Mike Lord, Chris Tallevast, John Nocher, Gary Willis, Paul Blom, Tony Hauserman, Jack Dent, Mike Hudson, Jim Sharkey, Jim Thompson, Rusty Lucas, Mike Meraschoff, Dennis Bowdy, Cuddy Kane, and Ken Ebmeir.

In the first year of inter-collegiate play, the Women's Lacrosse team had a record of 1-4. A group of twenty-four enthusiastic females worked hard to build a solid team. Their preparation started in the fall as the veterans broke in the new members. Under the coaching of Julie Arrogancia, the team proved to be a formidable opponent on the field and their skill and precision showed it.

The members of the team were. Kathy Bates, Rina Battiata, Debbie Billock, Beth Briscoe, Jane Burger, Mary Burns, Pam Cardullo, Marty Carlon, Ruth Cleary, Carla Frantz, Peggi Gillespie, Kelley Gleason, Ellen Graham, Celene Graves, Janet Knox, Linda LaLumiere, Patti Lesneski, Ellen Murray, Clarissa Parr, Deb Roberts, Karen Smith, Allison Turner, Sue Twigg, and Alice White.

SMC Volleyball

The Men's Volleyball squad had a season record of 3-9. It consisted of six new members including Jamal Al-Janabi, Mark Arrildt, Jeff Franzenberger, Don Freeman, Paul LaCoste, and Jim Reed. Veteran players were Bob Case, Tim Kirk, and Ken Sanford. Under the pressure of tough competition the team showed promise. As the season unfolded the members became a well-working unit.

The St. Mary's Men's Tennis team was up against some formidable competition this season. This included American University, Georgetown University, Salisbury State, and the Naval Academy. Up against this, the Saints came away with a respectable 4-5 record.

Tom Ford, a county resident and well-known Tennis player in Southern Maryland, coached the team. Under him, the team showed a lot of depth with five veteran players: Burt James, Chuck Miller, Doug Wright, Mike Ryan, and Dave Hunt; and three new members; Jeff French, Jack Hartzell, and Ernie Spriggs. The team made a good showing this year and all the teammates will be returning.

SMC Tennis

Al Jarreau

St. Patrick's day was celebrated a bit differently at St. Mary's this year. On March 17, the Student Government Association's spring concert featured jazz singer Al Jarreau. Jarreau began his singing career on the West Coast in 1975. The following year his career soared as a result of his triumphal tour of Europe.

Jarreau is best known for his vocal ingenuity. Possessed of a flexible and resonant voice, he carries scat-singing to new heights. His performance at St. Mary's proved to be educational as well as entertaining.

Spring Formal

Spring Fair & Waterfront Weekend

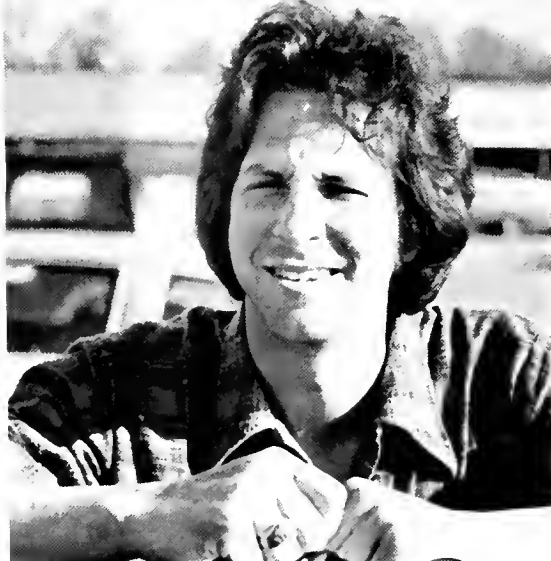

Spring Fair and Waterfront Weekend was as action packed as ever. Friday kicked it off with P.G. dorm council sponsoring 25 cents for all you could drink and snacks. Also, the annual lacrosse game between the Men's and Women's teams proved to be very comical both on and off the playing field. Saturday, Spring Fair Day, hosted live entertainment all afternoon under the large circus tent. Booths were set up for fun and refreshment. And once again out on the playing field was lacrosse. The Men's Varsity played the Alumni and later the Women's Varsity played Varsity Soccer team. To top it off, later that night was the Mr. SMC contest. This was the men's beauty pageant which included the individual talents of the contestants. Whether you wanted to participate or just watch, the day was very entertaining.

On Sunday, with blankets and baskets in hand, everyone moved to the Waterfront. All afternoon was spent either leisurely talking, or getting into the water competitions in front of the boathouse. Then, once one person inadvertently fell into the water, chain reaction resulted.

The entire weekend was a good time for the college before the dive into finals week. It was enjoyed not only by the students, but the faculty, alumni, and friends of St. Mary's.

I can't begin to convey the satisfaction I feel that I was able to be part of this publication. The gratitude I feel for all the people that helped in bringing it off is immense. It makes me proud to know that the students supported this book so widely. With the help of our advertisers and patrons, this book is a success.

It is the intention of this book to cover as many faces and activities as possible. It's worth cannot be judged this year or next year, but ten years from now, when we all look through it again. It is an encyclopedia of our memories, and that is what it is dedicated to.

And don't forget this is only Volume I.
